Regulatory Specialist (2-year term)

Yellowknife, Northwest Territories

The Mackenzie Valley Land and Water Board is part of the one of Canada's most progressive resource co-management regimes. Our job is to regulate and manage the use of land and water in the Northwest Territories using fair, inclusive, and transparent processes.

Job description

As a Regulatory Specialist, you will:

- process Water Licence and Land Use Permit applications made to the Board
- liaise with proponents, government, industry, First Nations, and stakeholders
- manage the regulatory process for Permits and Licences once issued
- prepare and present recommendations to the Board

Compensation

- salary ranges from \$101,281 to \$129,106
- northern living allowance of up to \$26,000 per year
- generous benefits and vacation allowances

Qualifications

We are looking for a candidate with these qualifications:

- Bachelor's degree in environmental science or equivalent
- knowledge of northern Indigenous culture and way of life
- experience in northern regulatory environment

In your cover letter and resume, please demonstrate the following competencies:

- strong critical thinking and technical writing ability
- strong written and oral communication skills
- strong project and time management skills

How to apply

*Please submit your cover letter and resume by **Sunday, April 7, 2024** to:*
